

Secondary Student Survey

Class: _____

Teacher: _____

This survey is designed to communicate the students' perceptions of the secondary program, especially the instruction, to the secondary faculty and administrators. We value the students' opinion of this program. If this survey works as intended, the school will improve. This is the goal that we all share. Please comment on each area.

Rate the teacher on the following scale:

1 = needs improvement	2 = below average	3 = satisfactory	4 = good	5 = excellent
